# Message From Brittany

New beginnings don't have to be big to be meaningful. This month, focus on the small wins, the quiet growth, and the moments that bring you peace.

Give yourself grace, stay consistent, and trust that everything you're working toward is unfolding in its own time. 🌱

## Quote of the Day

**Success isn't about making one big leap—it's about showing up, day after day, even when progress feels small.**

## Easter – April 2026

**Easter celebrates the resurrection of Jesus Christ, the cornerstone of Christian faith. It is a time to reflect on His sacrifice, rejoice in His victory over death, and renew our commitment to living in faith, hope, and love. Church services, prayer, and acts of kindness mark this holy season, reminding us of God’s grace and the promise of new life.**

 **Aries (Mar 21 – Apr 19):** April brings bold energy and fresh starts. Focus on your goals, take initiative, and pay attention to key relationships for clarity and growth.

 **Taurus (Apr 20 – May 20):** This month helps you prepare for your season. Build stability, act with intention, and prioritize what truly matters in relationships and personal goals.

## April 22: A Day for the Planet

In 1970, the first Earth Day was celebrated on April 22, inspiring a global movement to protect the environment. The day encourages reflection on our planet, promotes sustainable practices, and reminds us of the impact each person can have on preserving the world for future generations.

## Trees

Joyce Kilmer

*I think that I shall never see  
A poem lovely as a tree.*

*A tree whose hungry mouth is prest  
Against the earth's sweet flowing breast;  
A tree that looks at God all day,  
And lifts her leafy arms to pray;  
A tree that may in summer wear  
A nest of robins in her hair;  
Upon whose bosom snow has lain;  
Who intimately lives with rain.*

*Poems are made by fools like me,  
But only God can make a tree.*

## The Case of the Missing Compost

One morning, Ms. Rivera opened her compost bin and gasped—everything was gone! Banana peels? Vanished. Coffee grounds? Poof. Eggshells? Not a trace.

Her kids pointed at the dog. The dog wagged at the cat. The cat looked innocent... for a cat.

But the truth came out when she peeked behind the shed: a family of raccoons was having a full-on buffet, tossing peels and shells like confetti.

“Guess they’re celebrating Earth Day too,” Ms. Rivera laughed, and promised to save a little snack for her new eco-friendly friends.
